Leading Australian Online Store Lacrosse Gear Celebrates Deal to Become Exclusive Source in Country for Warrior & Brine Brands

Warrior is the world's largest lacrosse gear company. Brine is another major force in the lacrosse scene. In exciting news, both will now only be available in Australia from the Lacrosse Gear online store, well-known for their devotion to building the growing sport in the country.

MELBOURNE, VICTORIA - July 21, 2019 - It can be a challenge to purchase quality lacrosse products in Australia due to the relatively small size of the sport and market within its borders. That said Australian lacrosse players are certainly enthusiastic, with the online store "Lacrosse Gear" rising up to meet their needs.

Since their opening [Lacrosse Gear](https://lacrossegear.com.au) has carried a variety of brands but have recently crossed a milestone, announcing they are now the exclusive carrier of the lacrosse gear companies Warrior and Brine. Warrior is the largest and most respected lacrosse product brand in the world, making it a huge breakthrough for Lacrosse Gear to close this deal. The excitement surrounding it is high.

"We've been working with the Warrior team on this for months," commented Scott from Lacrosse Gear. "This is a great outcome for all lacrosse players throughout Australia. Women, men, girls and boys will be able to purchase lacrosse gear locally at affordable prices with fast shipping."

According to the online store, some of the popular categories of lacrosse products they offer are highlighted by sticks, heads, shafts, protective gear, and stringing kits. All are set at very attractive price points.

The early reviews from customers for the current products from Lacrosse Gear's online store have been extremely positive.

Steven S., from Melbourne, recently said in a five-star review, "My son plays lacrosse and I have been shopping for all his needs at the Lacrosse Gear online store. The quality of the products have been first-class, the price right, and they always ship quickly. Fully recommended."
